Objections To Claims

Claims 6, 7, and 11 are objected to under 37 CFR § 1.75(a) as including the following errors:

In claim 6, "the main jets" (line 4) lacks antecedent basis. An appropriate antecedent for this expression should be added.

In claim 7, "at least one streams" (lines 4 and 9) contains a grammatical error. Use of the plural "streams" is improper in this context and should be replaced with the singular "stream".

In claim 7, the expression "such that" (line 4) is repeated twice. The second occurrence of this expression should be deleted.

Claim 11 depends from claim 1 but refers to the step of "injecting a recycle gas" (line 1), which step is not introduced until claim 3. Claim 11 should therefore depend from claim 3 rather than claim 1.

Allowable Subject Matter

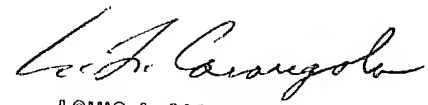

Claims 1-5 and 8-10 are allowed, and claims 6, 7, and 11 will also be allowed if amended to overcome the objections set forth above.
